DELIVERY

Building will arrive fully constructed at the customer's site on a truck and trailer similar

to the picture. Our delivery crew will level the building with customer provided blocks. Lead times are fluid at this time. No cancellations of orders after 72 hours. Customer to provide clear access to delivery site. This is not a kit.

If the customer has a tight spot and is concerned about delivery we have a machine called a "mule". It's used for

moving the building through the customers yard with out the additional bulk and size of the truck and when access is limited.
